HDPE MOLDED FITTINGS

NAFFCO Group, headquartered in Dubai, UAE since 1991, is a leading provider of comprehensive solutions for construction projects. With a strong focus on research and development, NAFFCO Group continuously adapts to market needs, ensuring high-quality and innovative offerings. NAFFCO is a UL-registered firm, holding ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 certifications, and has established a robust presence across the Middle East and North Africa (MENA) region, USA, UK, and Australia.

As part of its advanced manufacturing capabilities, NAFFCO specializes in producing SHIELD® High-Density Polyethylene (HDPE) molded fittings that deliver superior performance for industrial applications.

TRIGA FIRE SOLUTIONS, the US branch of NAFFCO Group, supplies SHIELD® HDPE molded fittings to the US market, manufactured to the highest industry standards, including: ASTM and ANSI/AWWA C906.

TRIGA supplies a wide range of SHIELD® HDPE molded fittings, approved by FM and WRAS, compliant with ASTM D3261/D2513 and AWWA C906 standards, covering diverse applications, in various sizes and working pressure capacities including:

- 2" to 10"
- DR7, DR9, and DR11

With TRIGA, NAFFCO Group brings its global expertise and commitment to quality to serve the US market, offering reliable, high-performance HDPE piping solutions.
